# Community Partners in Action to Make A Difference!

**San Bernardino, CA, September 2, 2011** - Community Action Partnership of San Bernardino County (CAPS-BC), the designated Community Action Agency for San Bernardino County, is pleased to announce a coalition of community partners has banded together to present the “Community Partners in Action to Make A Difference!” service and resource fair on Saturday, October 29, 2011 at San Bernardino Valley College.

As part of the National Make a Difference Day program, the goal of this event is to provide direct services and resources to those in need. Providing direct services is a high priority for low income residents of San Bernardino County who are struggling during these difficult economic times.

We are extending an invitation for interested agencies to participate in this event with a booth/display and any direct services, giveaways or resource information that would be appropriate for needy families in our community. There is no charge to participate and the deadline for exhibitors to register is September 23, 2011. Interested agencies or groups should contact Sandra Brown at 909-723-1534 or [sbrown@capsbc.sbcounty.gov](mailto:sbrown@capsbc.sbcounty.gov)

“Neighborhoods” of services and resources will be set up at the event and attendees are encouraged to come receive assistance with health, education, children’s services, asset building, financial literacy, employment, food assistance, utility bill assistance, housing-mortgage, legal services, and materials goods.

The need for these services is great, please help support low-income families in San Bernardino County.
