Earned Income Tax Credit (EITC) Awareness Day & Free Tax Preparation Services

Jan. 20, 2012 – SAN BERNARDINO, CA: The 2011 Tax Season is starting up and the Community Action Partnership of San Bernardino County (CAPSBC) wants to remind residents of San Bernardino County about the Earned Income Tax Credit (EITC). Friday, Jan. 27th is EITC Awareness Day. Every penny counts in today's economy, yet many working people are overlooking this important tax credit that could put up to \$5,751 into their pockets. The Earned Income Tax Credit is a financial boost for working people hit by hard economic times.

To find out more about EITC and the Free Tax Preparation Program VITA, the **Community Action Partnership of San Bernardino County and the VITA Coalition will be holding an EITC Awareness Day on Thursday, Jan. 26, 2012** at the Public Housing Authority Building at 672 S. Waterman Ave. in San Bernardino from 10:00 am to 2:00 pm. Come learn about FREE tax preparation services, how to qualify for a refund of up to \$5,751 in EITC and other helpful resources. There will be prizes, giveaways and refreshments. For more information please call 909-723-1570.

Many people will qualify for EITC for the first time this year because of changes in income, marital status or family size. Bigger families with three or more children get an extra boost with a larger credit this year.

The IRS estimates four of five eligible workers get their EITC. We want to raise that number to five out of five. However, workers can get their EITC only if they file federal income tax returns - even if they are not otherwise required to file - and specifically claim the credit.

SAVE FOR A RAINY DAY?

Think of the things you could do if you just had more money. So, look into the Earned Income Tax Credit. It's for working people who make less than \$49,000. Some will get as much as \$5,700 back from the IRS when they file their taxes and claim the credit. Is there some money waiting for you?

Anyone with earnings under about \$46,000 from wages, self-employment or farming in 2011, should see if they qualify. They earned it. Now they just need to file and claim it. Even if you did not have children living with you and earned less than about \$13,600, you could qualify. For information on the amount of EITC you qualify for, see the graph on this page for “The Range of EITC for 2011.” The information on the graph shows EITC income and credit limitations for married couples filing jointly.

San Bernardino County residents can get their taxes done for free through the Community Action Partnership of San Bernardino County VITA program. For an appointment, call 909-723-1561. The Free Tax Preparation program started on Jan. 17th, and continues through April 17th, 2012.

To help accurately determine their EITC eligibility and prepare their returns, individuals should bring:

- Photo proof of identification
- Social Security cards for themselves, their spouse and dependents or Social Security number verification letters issued by the Social Security Administration
- Birth dates for all persons listed on the tax return
- Wage and earning statement(s) Forms W-2, W-2G, and 1099-R, from all employers
- Interest and dividend statements from banks (Forms 1099)
- Copies of last year’s federal and state returns, if available
- Bank routing and account numbers for direct deposit of their refunds
- Other relevant information about income and expenses
- Amounts paid for day care, if applicable and the day care provider’s identifying number.

To electronically file their returns and get the fastest refunds, both spouses must be present to sign joint returns.

EITC has been making the lives of working people a little easier for 37 years. Today, more than ever, hard-working individuals need to be aware of programs like EITC.
