Dreams Can Come True
Former Miss America, Cheryl Salem

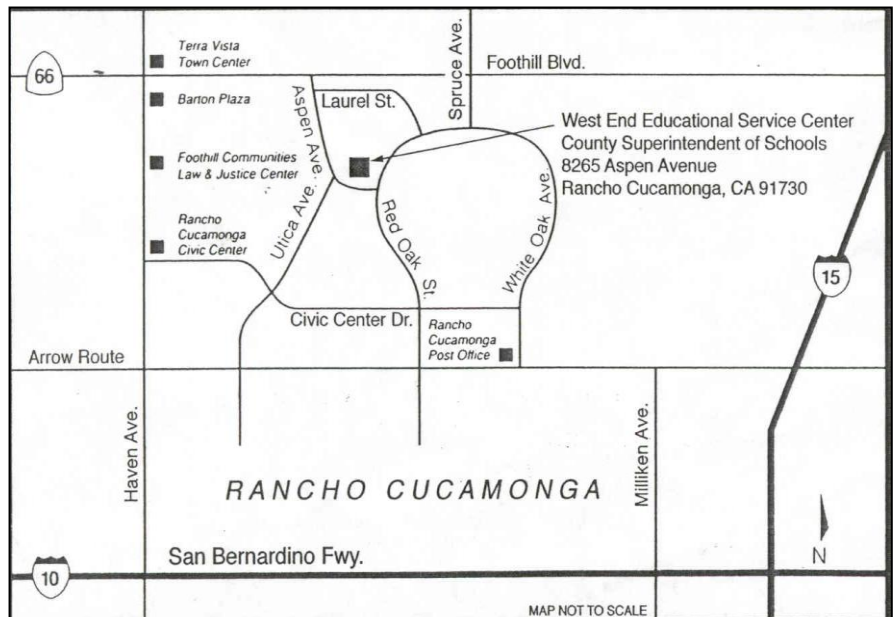

Former Miss America 1980, Cheryl Salem, most certainly portrays the picture of DREAMS CAN COME TRUE! Sexually abused for ten years, crippled from a car wreck when she was 11 years old, told she might never walk again, multiple scars to her face, after over 150 stitches, her dream to become Miss America seemed a million miles away. She persevered through many trials for years, and eventually walked the runway to become Miss America! It does not matter what circumstances or situations you may face in your life, if you have a dream in your heart, determination, and hard work, your DREAMS CAN COME TRUE also! Come and hear the tragic to triumph story of Cheryl Salem.
