Board of Supervisors to consider off-highway vehicle ordinance during special afternoon session

On Tuesday, March 23, the Board of Supervisors will dedicate an afternoon session to a public hearing on a proposed off-highway vehicle ordinance.

The afternoon session and hearing on the ordinance will begin at 2:30 p.m. The board plans to consider all other items on next week's agenda during the regularly scheduled 10 a.m. public session.

Because the off-highway vehicle ordinance is expected to attract a large number of public speakers, the board did not want to inconvenience the speakers by starting the hearing at an undetermined time in the morning and then have to interrupt the hearing with a break.
